

You glow, Bob! You stopped this
glove! These do you named
Philip for murder and then you
chopped off bugles head!

Fine! I did it! I did it because I
think it's stupid how you carried
him around everywhere. I didn't
want to ruin the friendship!
and cheese dust on the
scissors! The same no to be
cheese dust on the
glove

BugLes

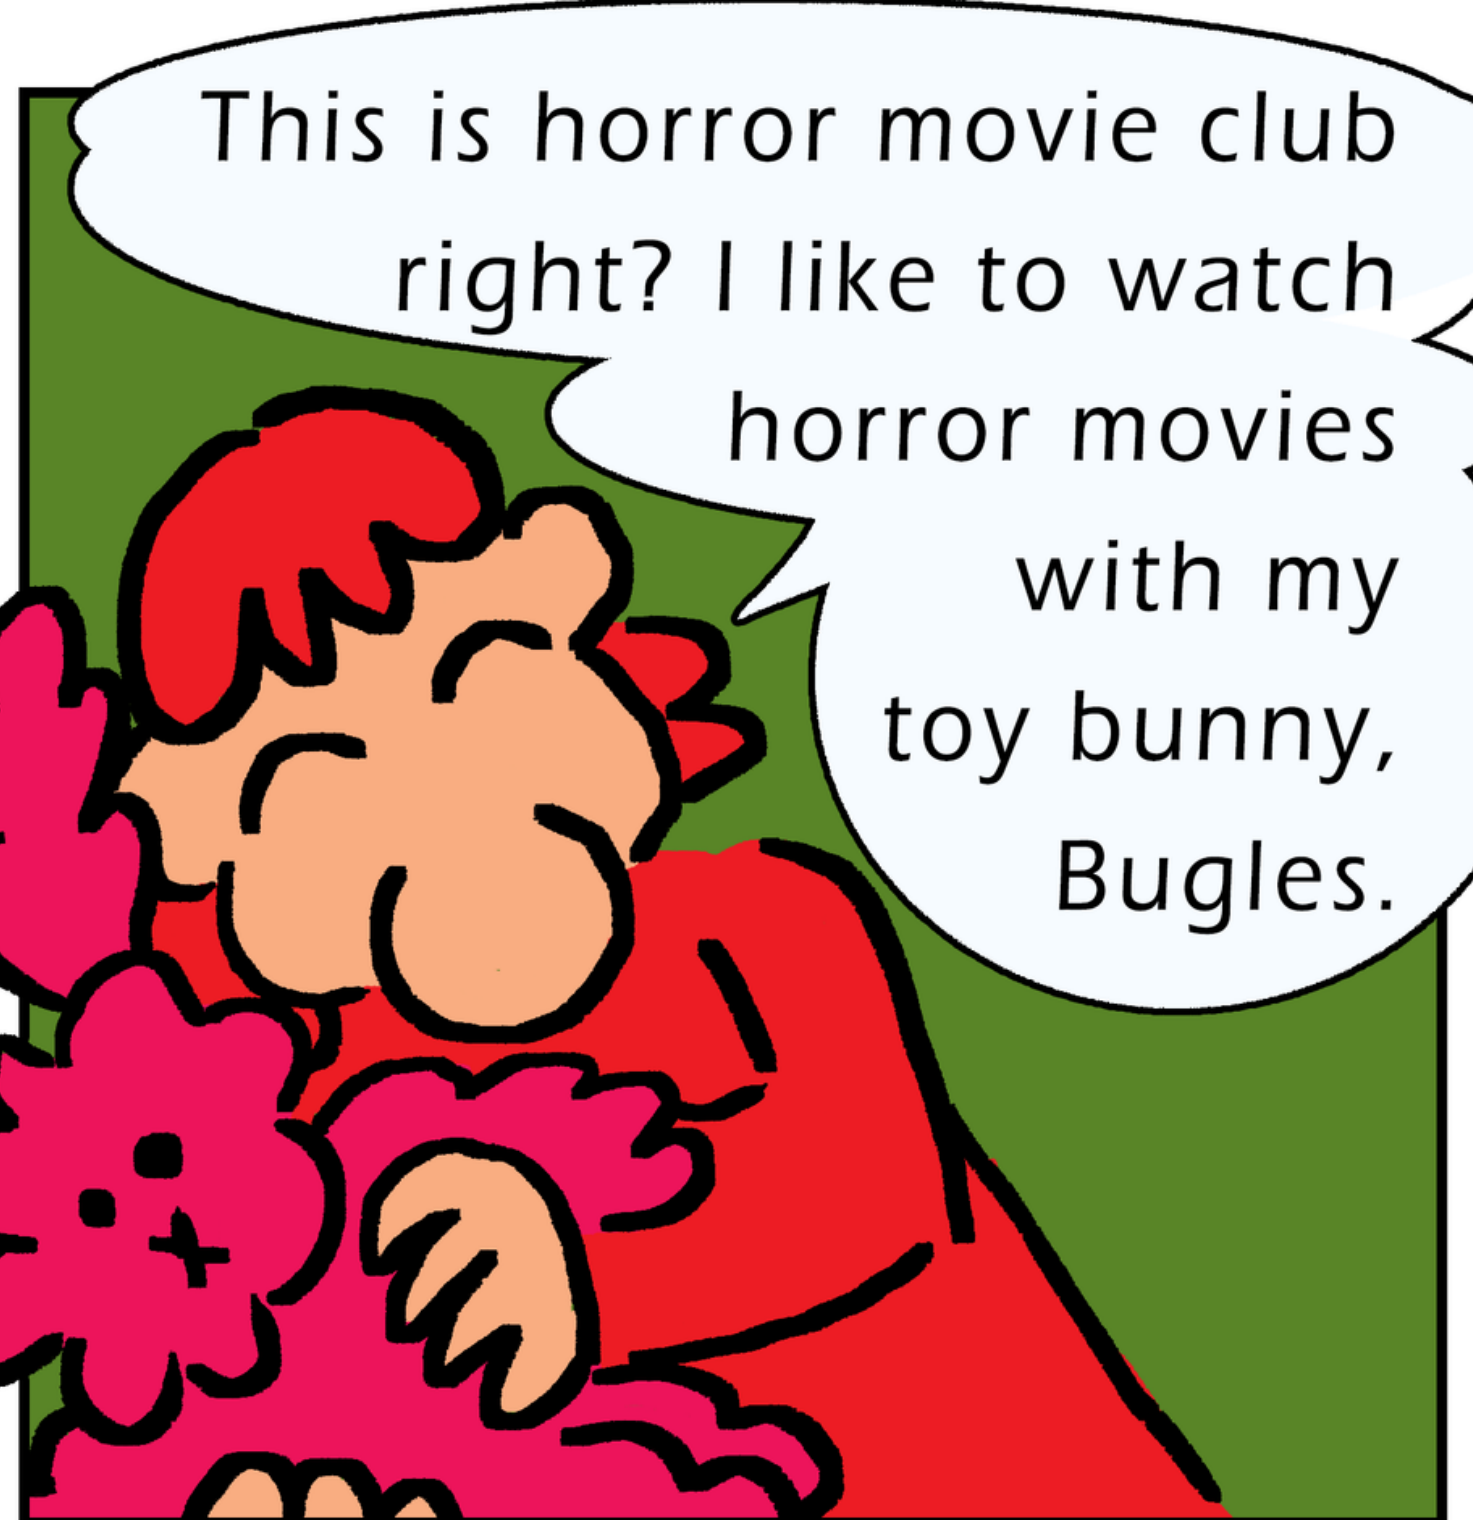

Now our
tiny little
been dating those
cheese dust off

too bad. You — Not so fast. This
is your choice! The only
bugles and round the killers
no do to buy this glove. If
the glove fits. You
must acquit.

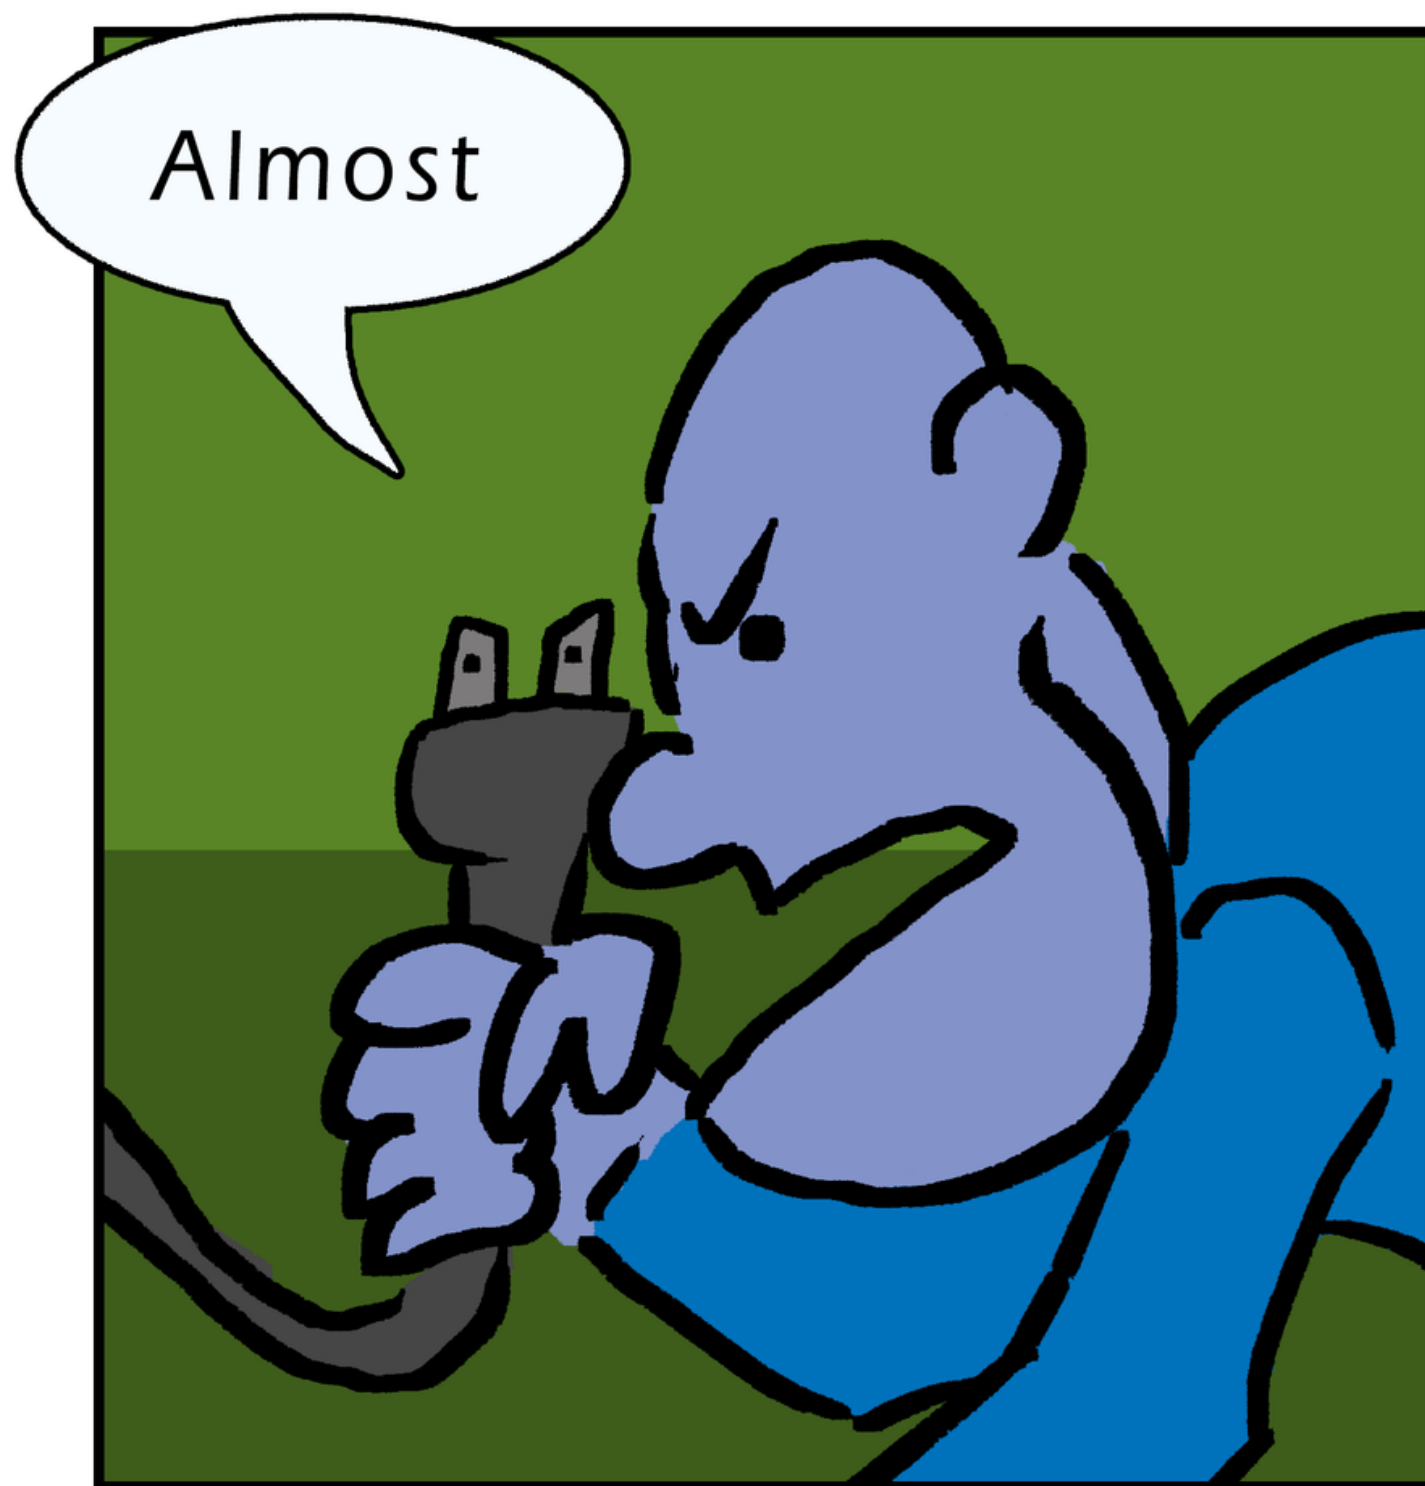

Why do you have a bunny?

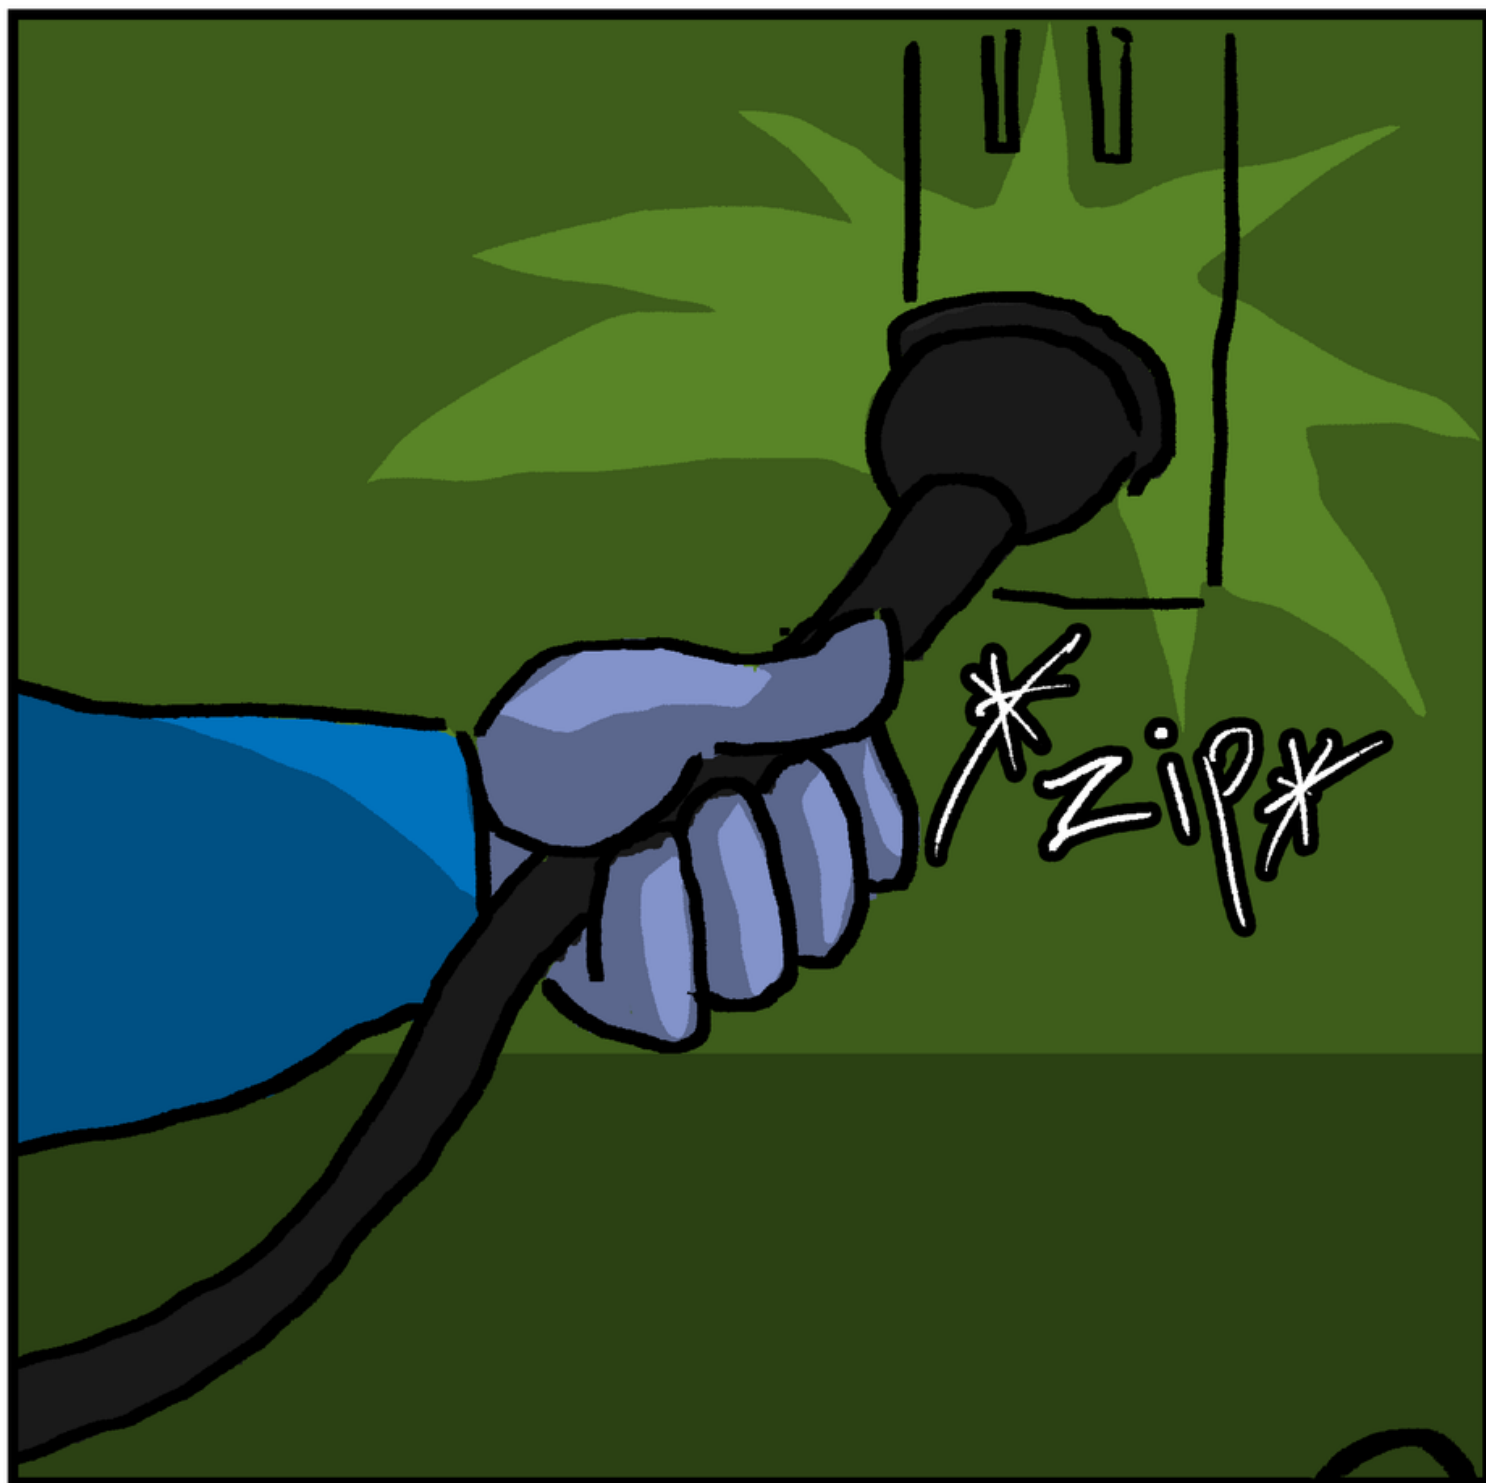

This is horror movie club right? I like to watch horror movies with my toy bunny, Bugles.

Is that DVD Player set up yet? John?

Almost

You blew a fuse.

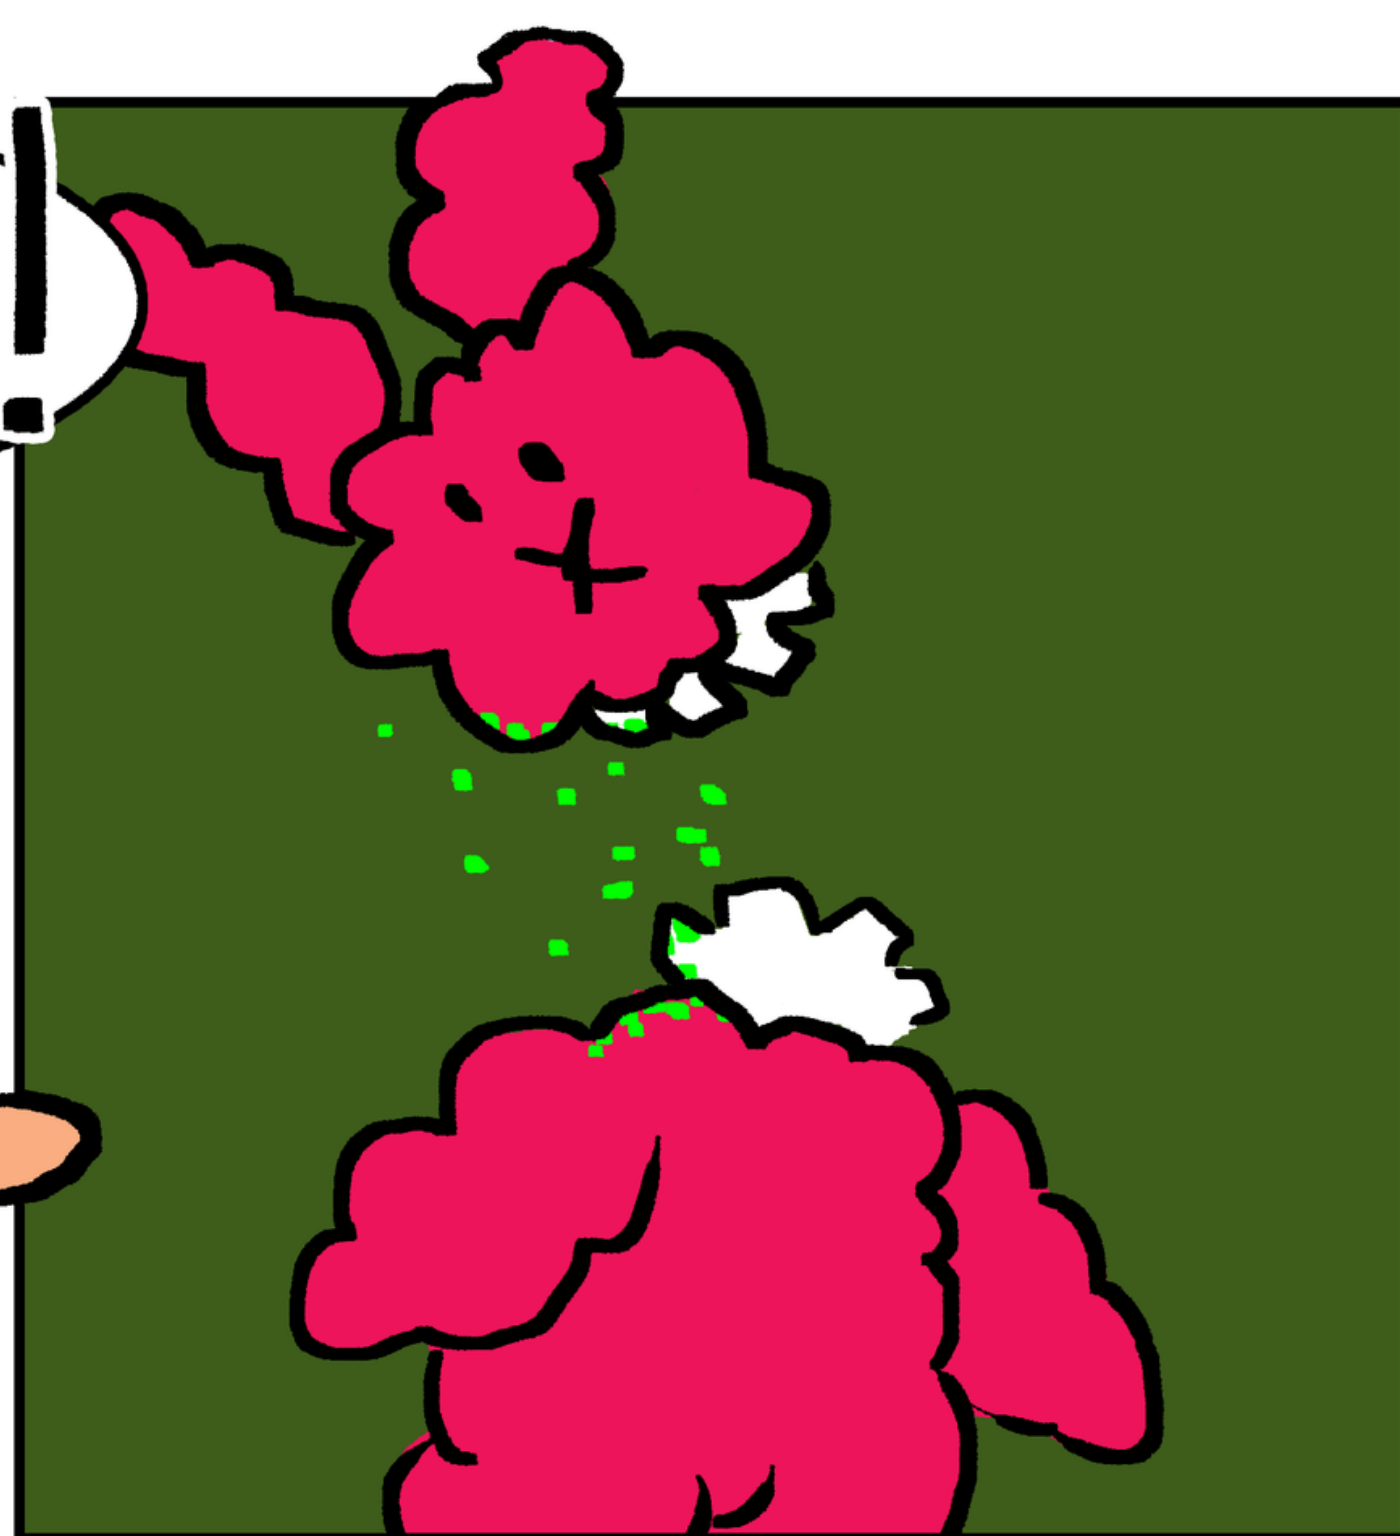

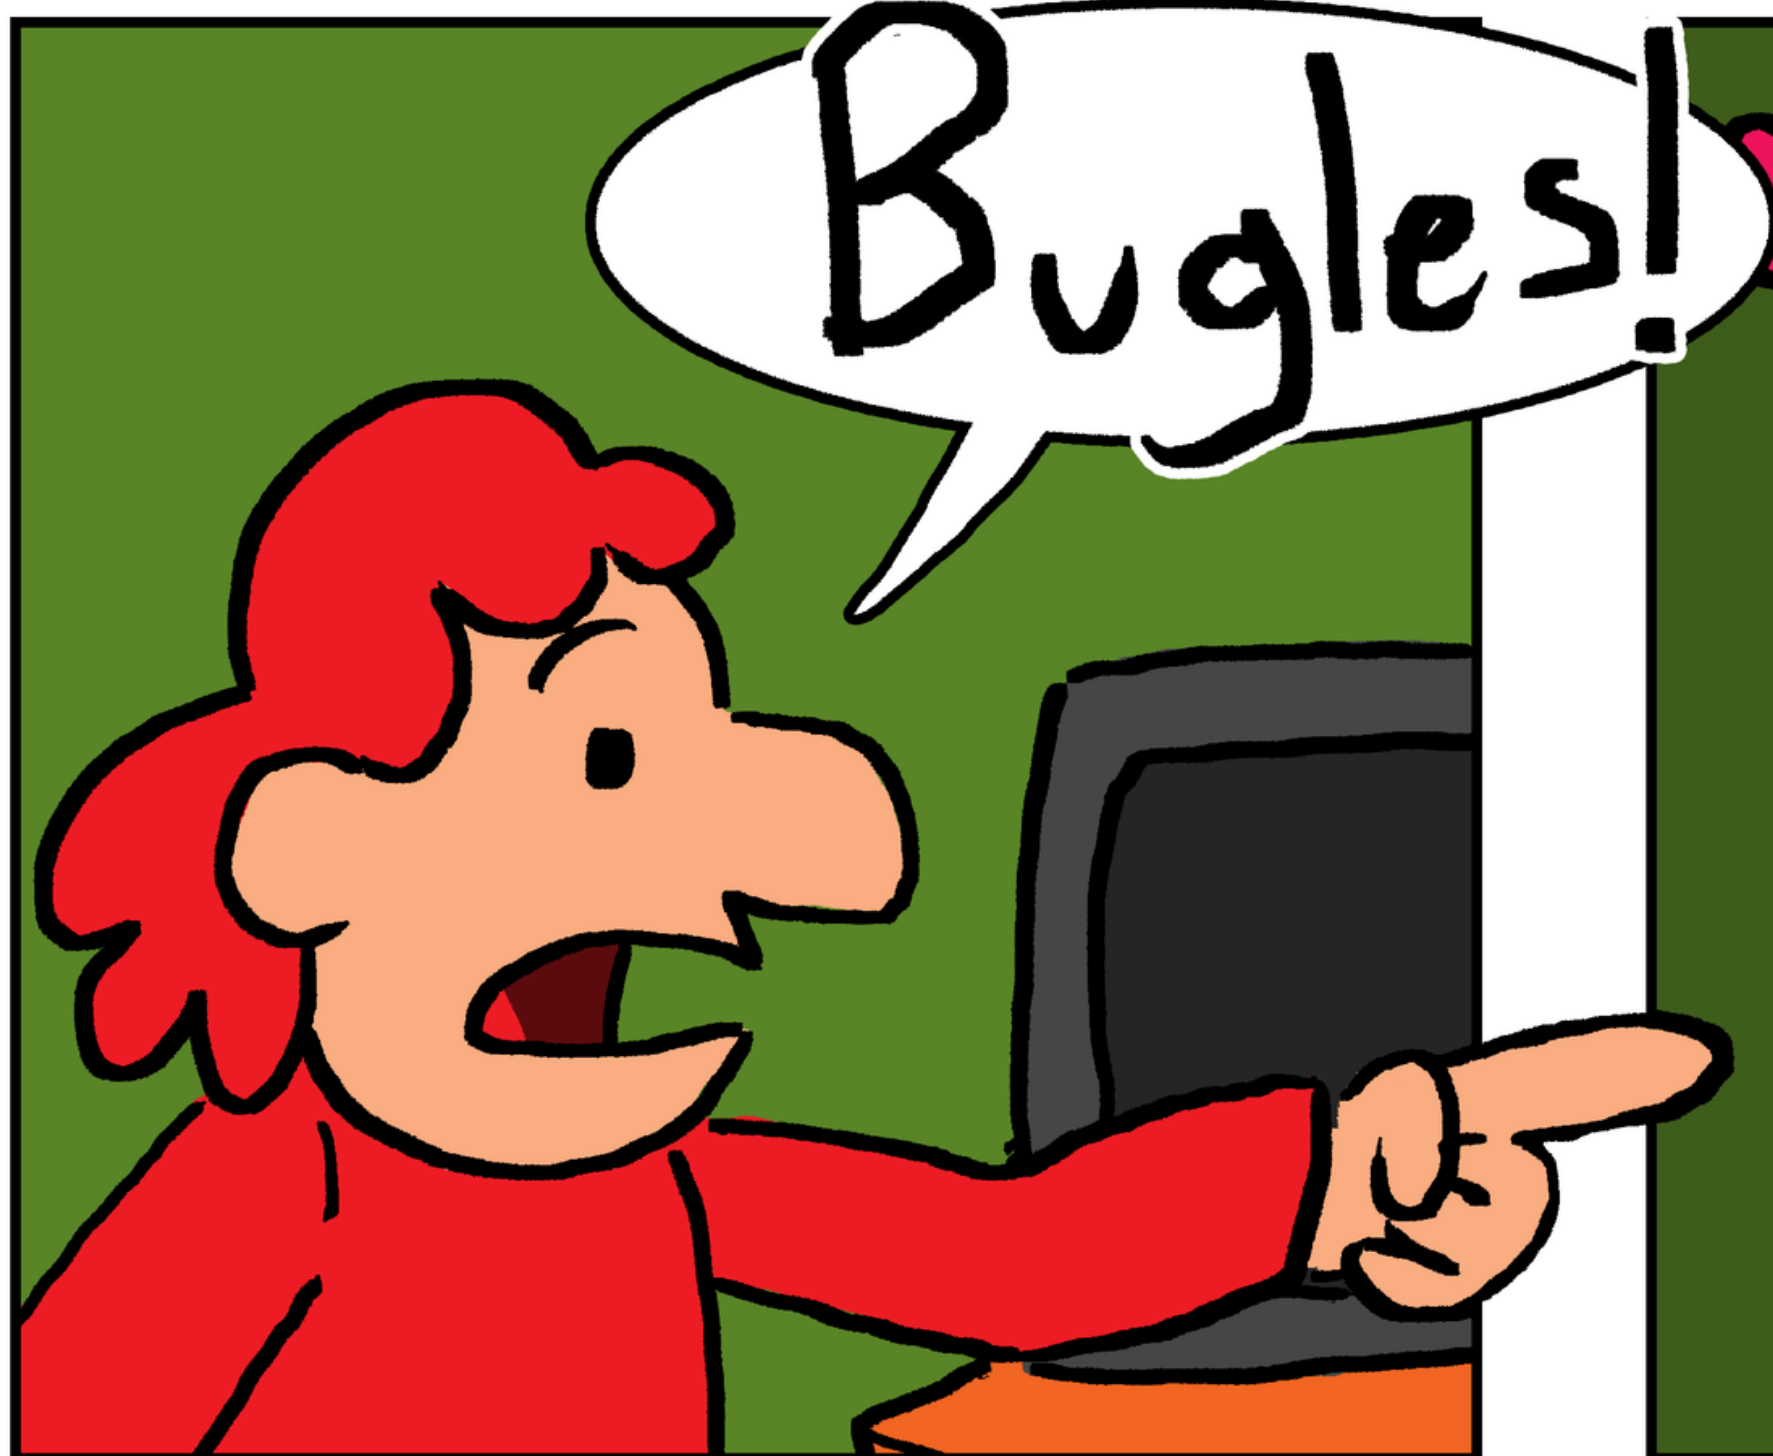

I sure hope the TV charge is going to be okay.

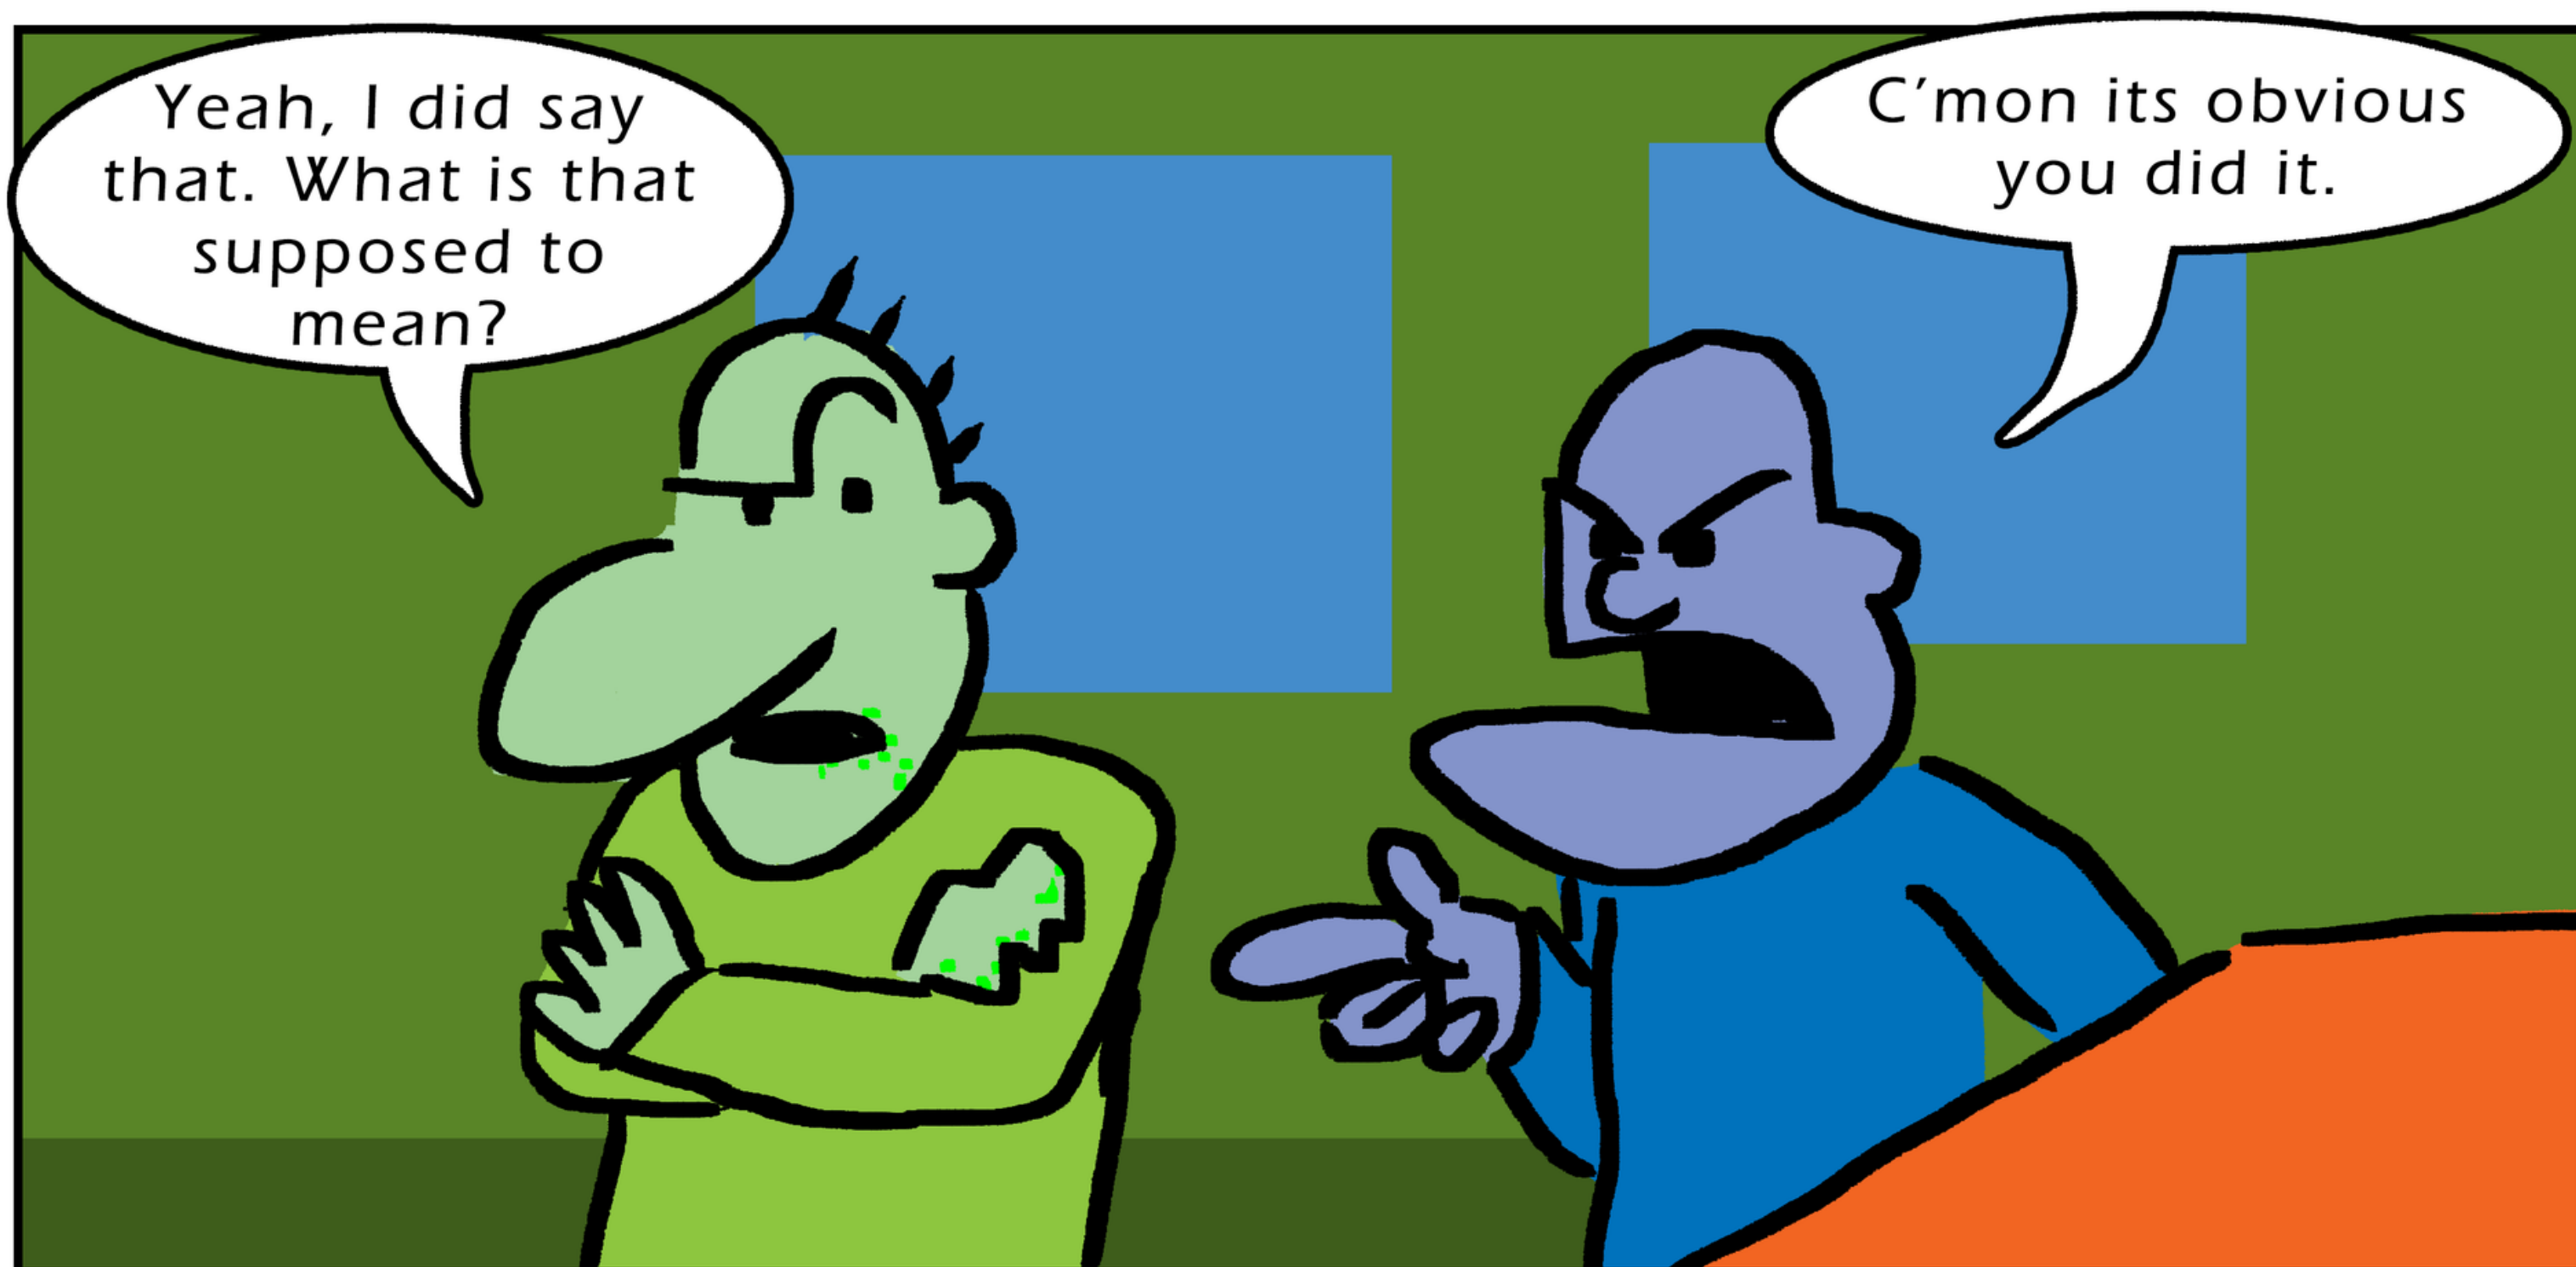

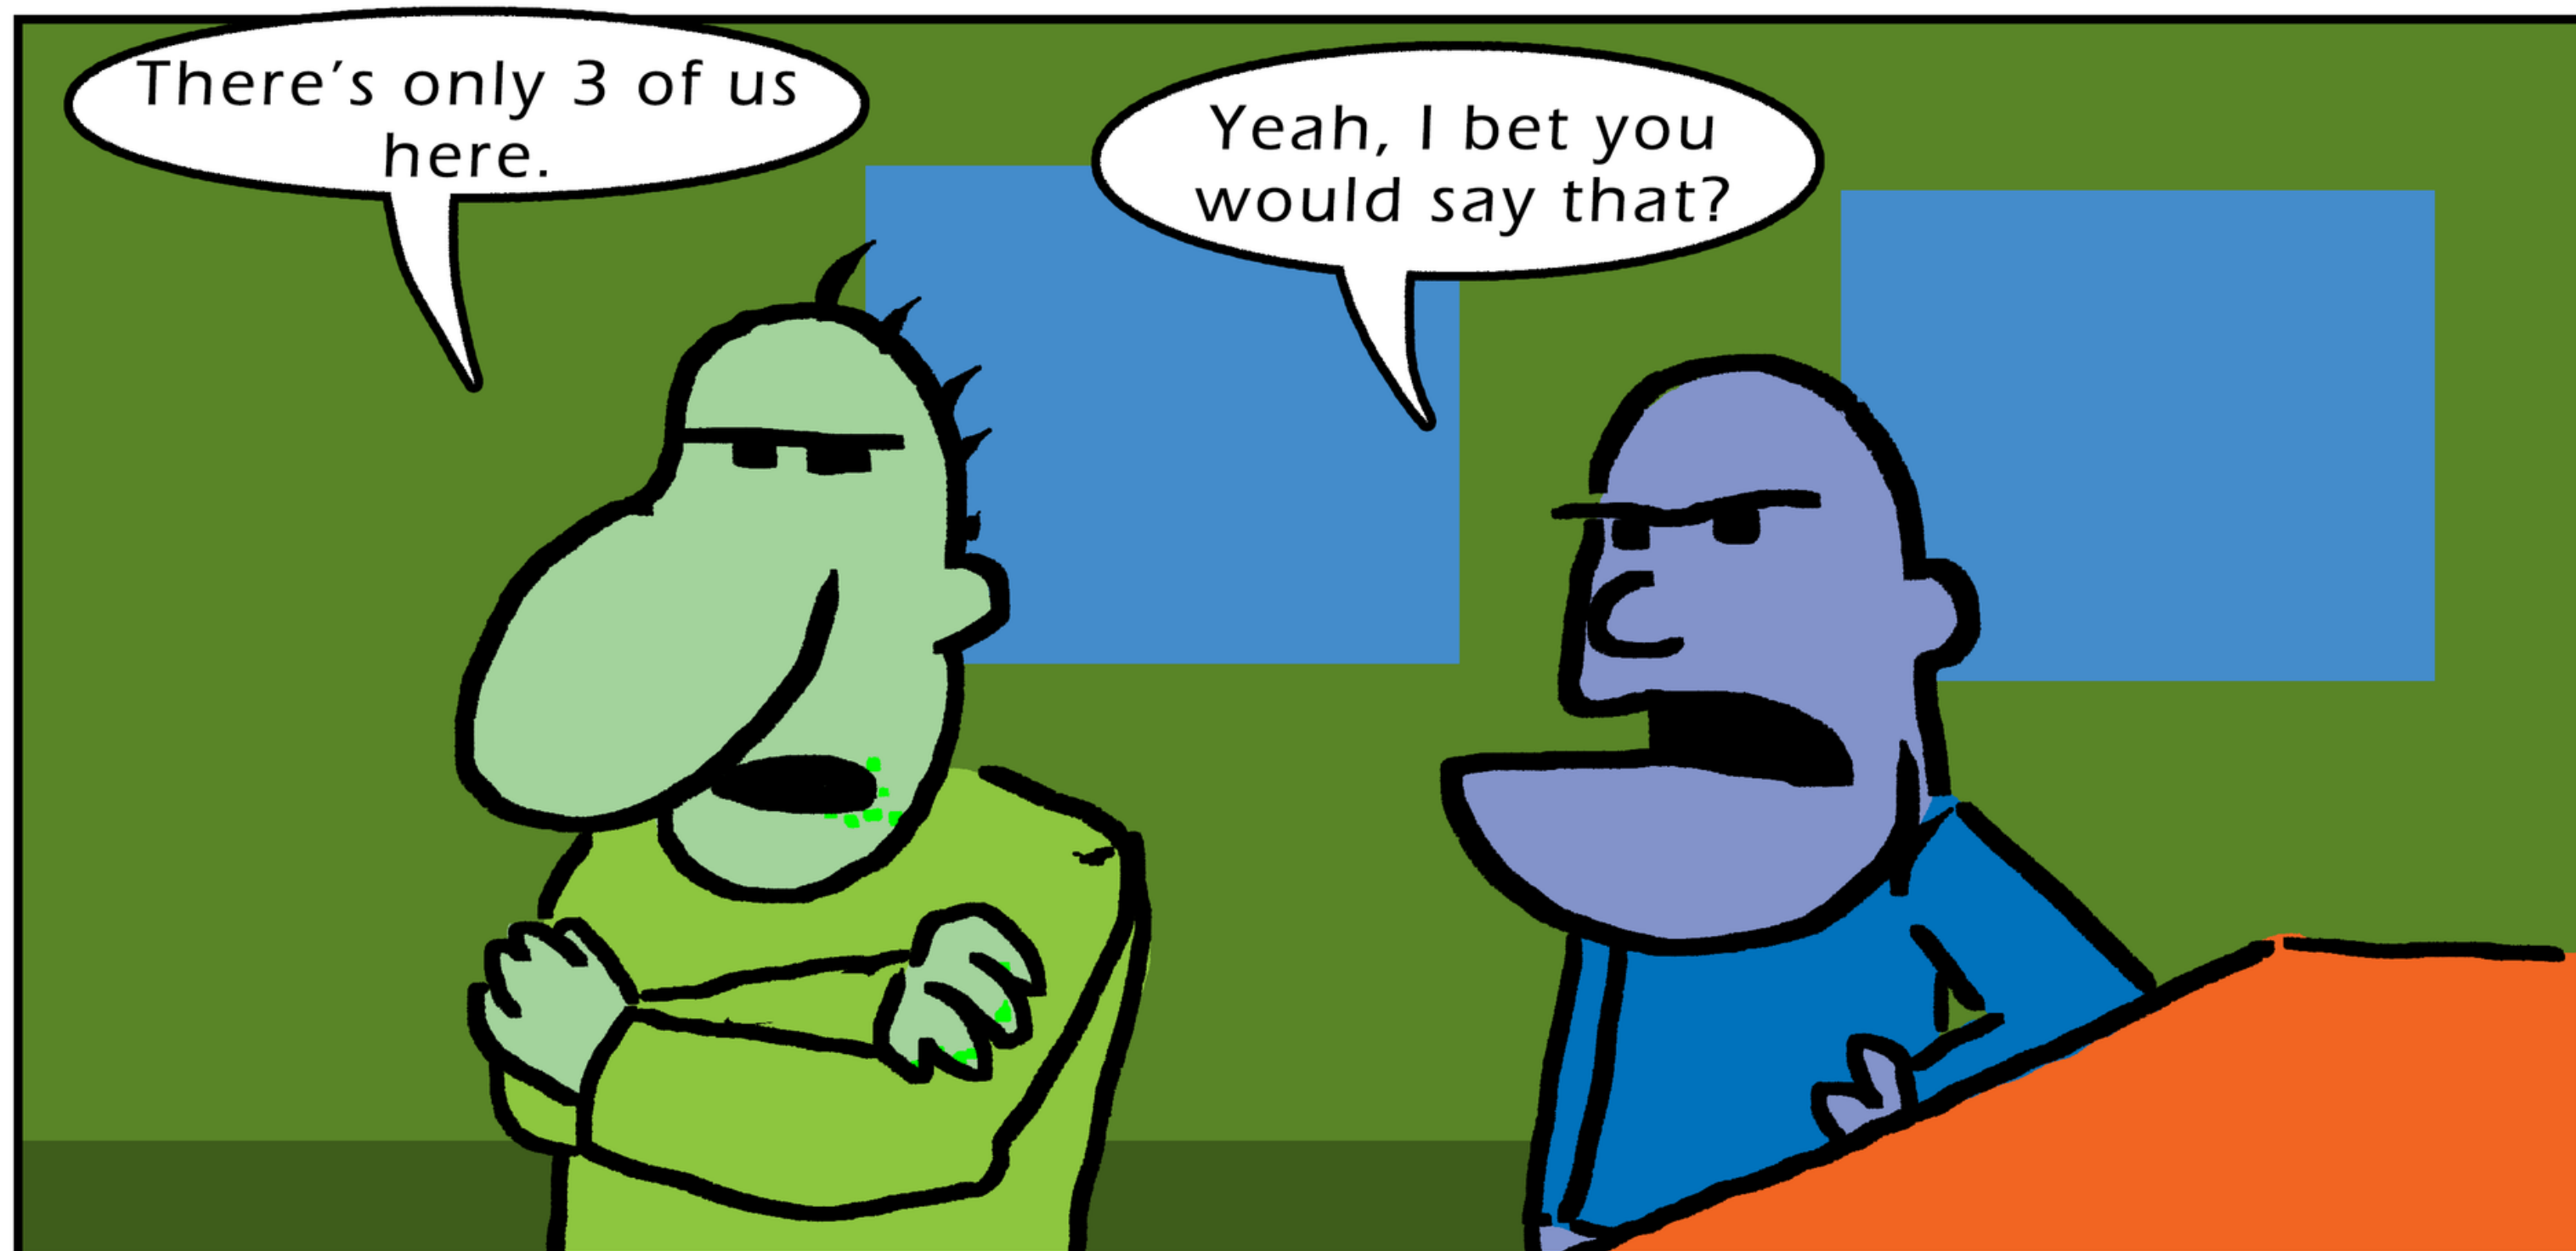

AAA!

What are you screaming for?

Why would I do it? I've been sitting here eating chips.

Aha! I have evidence!

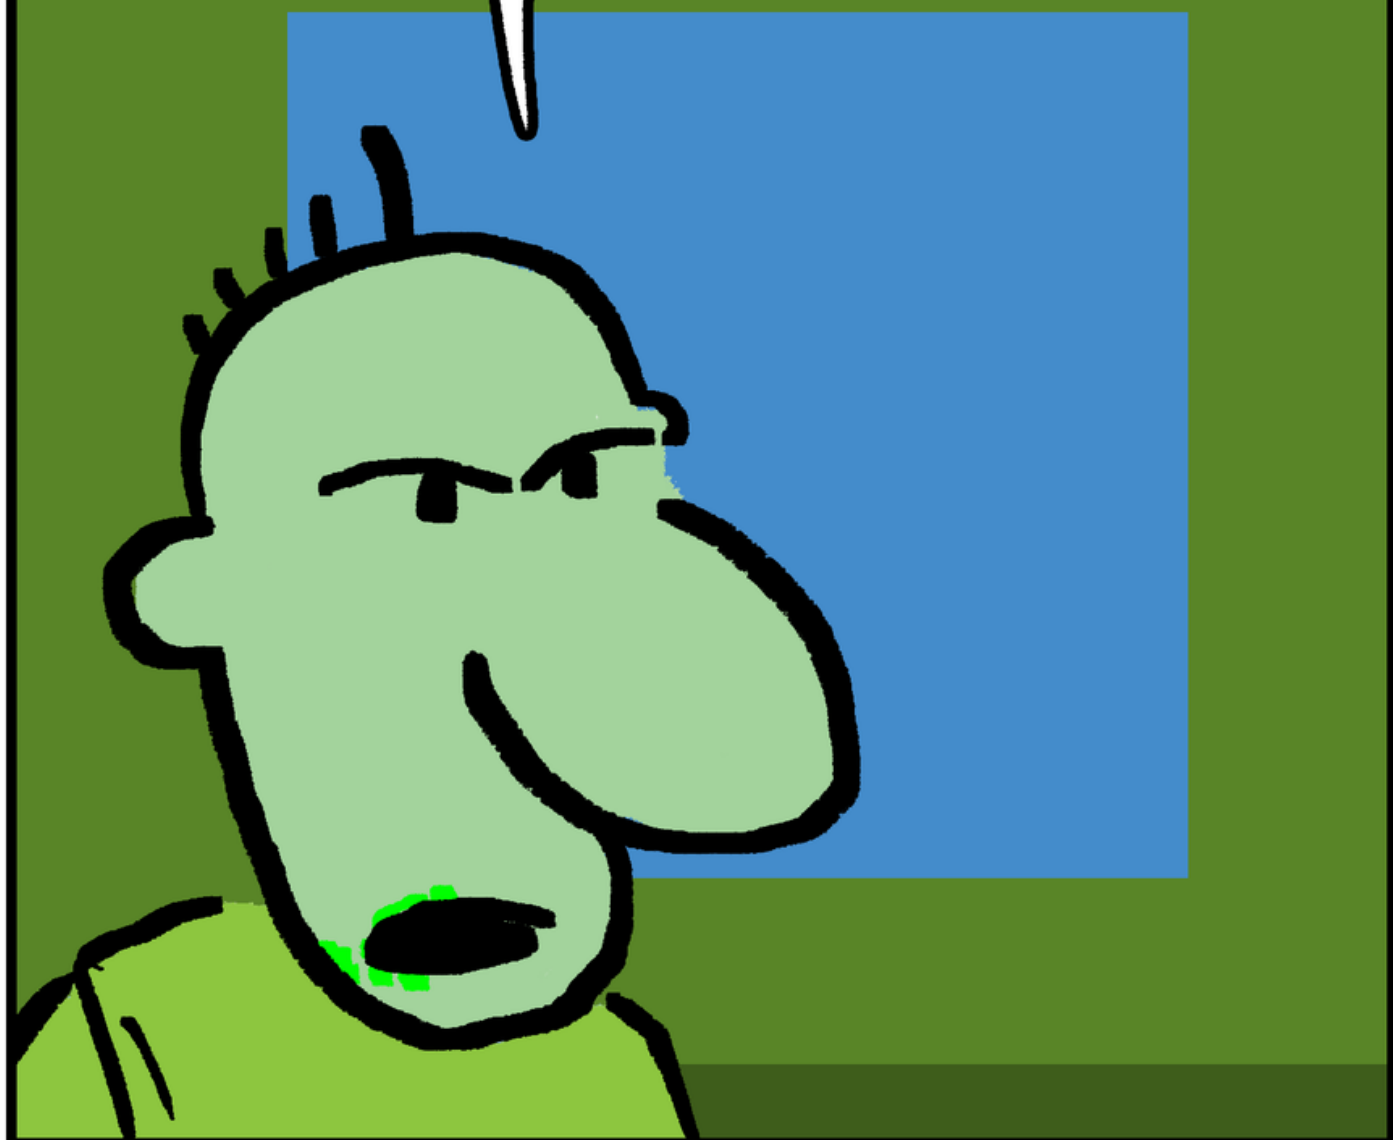

No, its not. This is a school classroom. What makes you so sure this isn't just school supplies.

It was under the table Bugles was murdered!

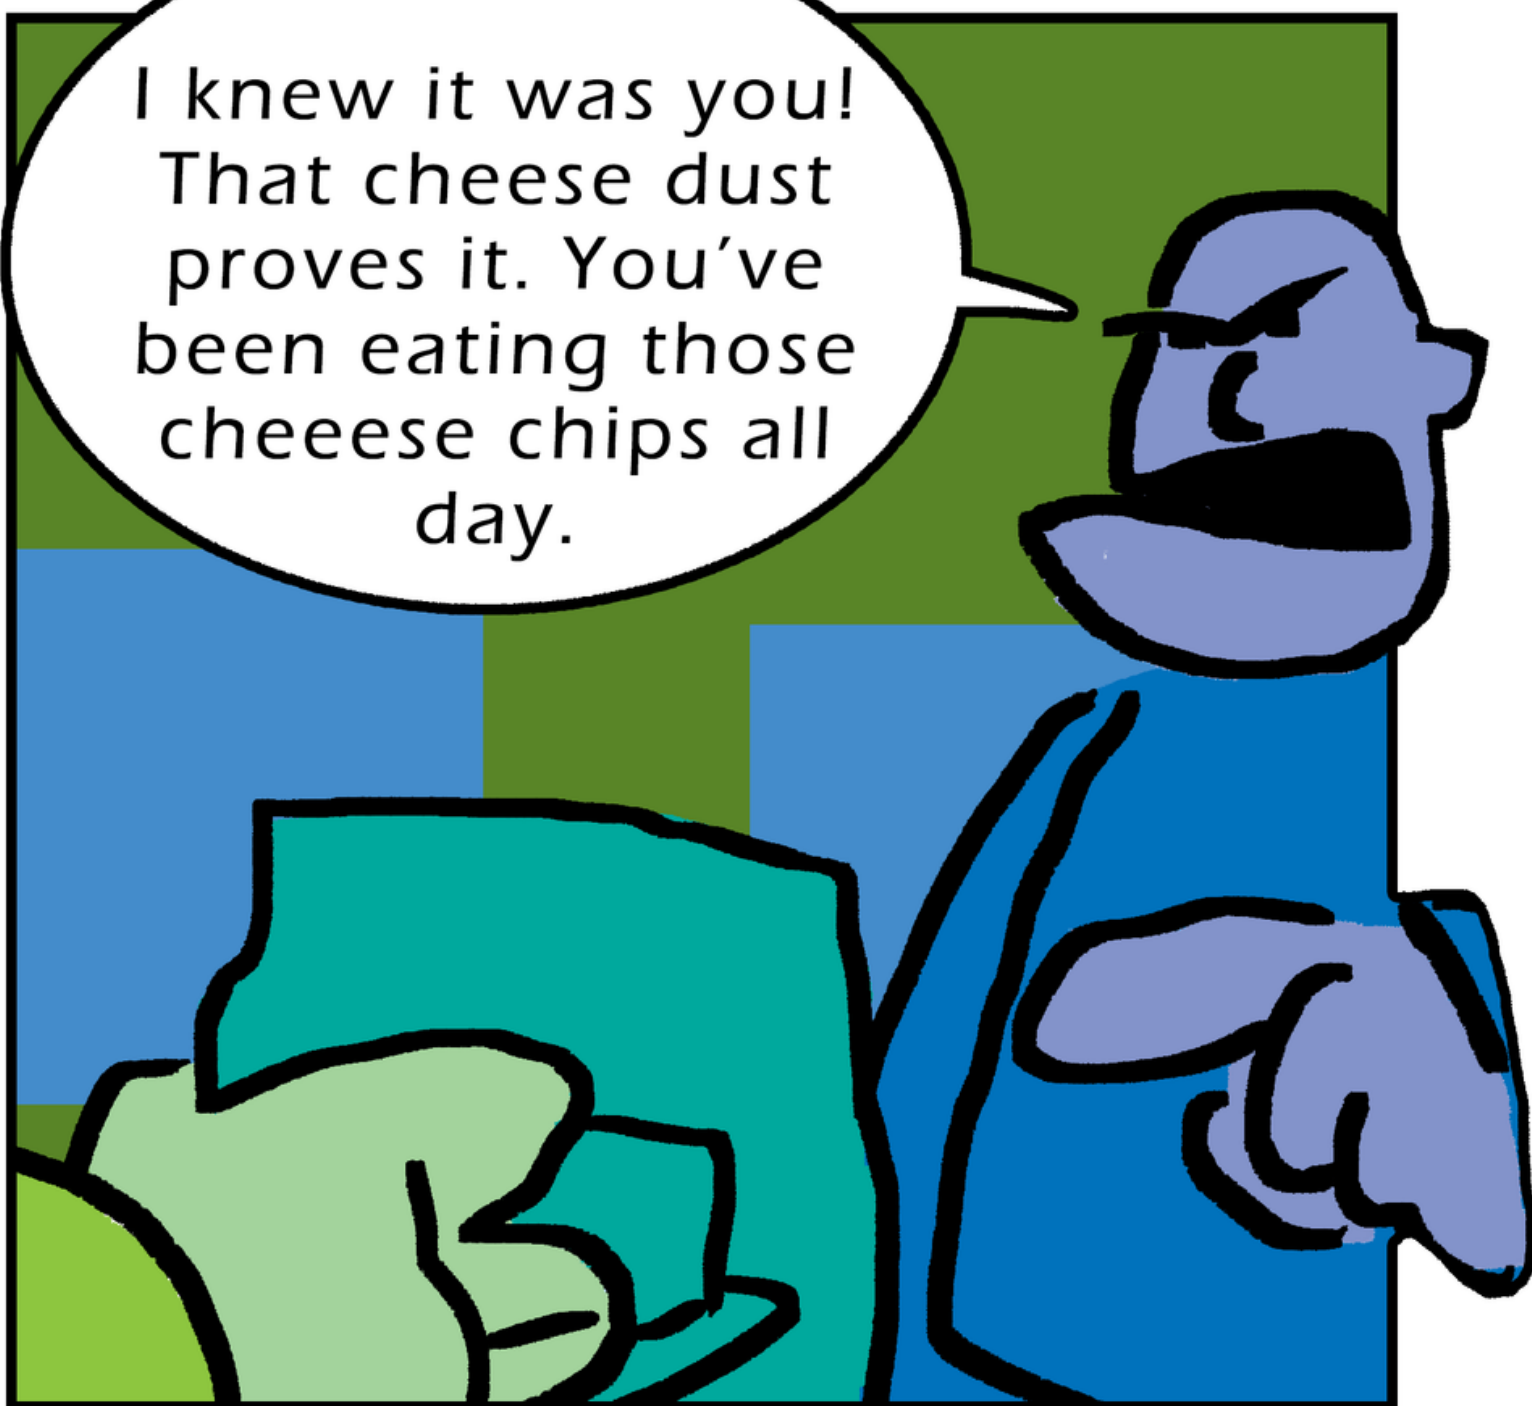

You know Bugles is just a plushed toy, right? He is not actually alive.

And Look! There is fuzz and cheese dust on the scissors! The same cheeese dust on the glove.

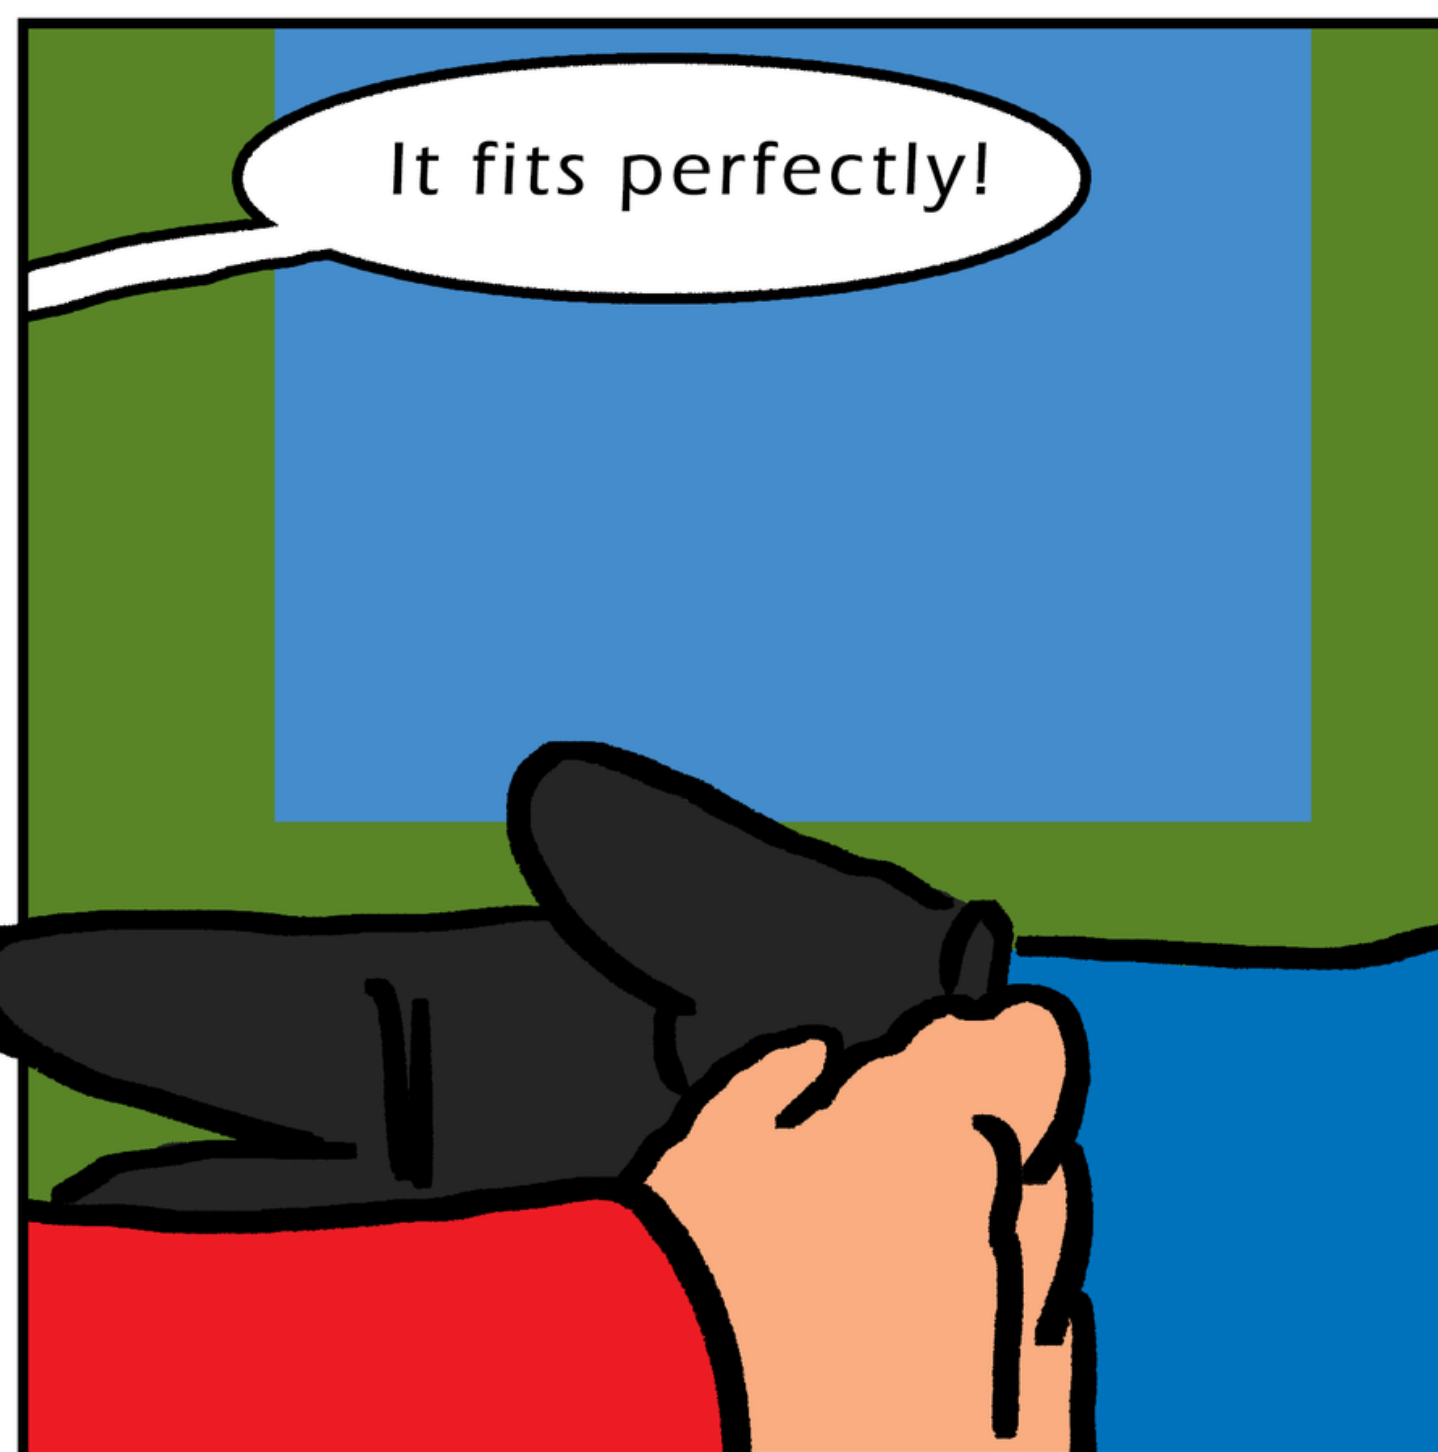

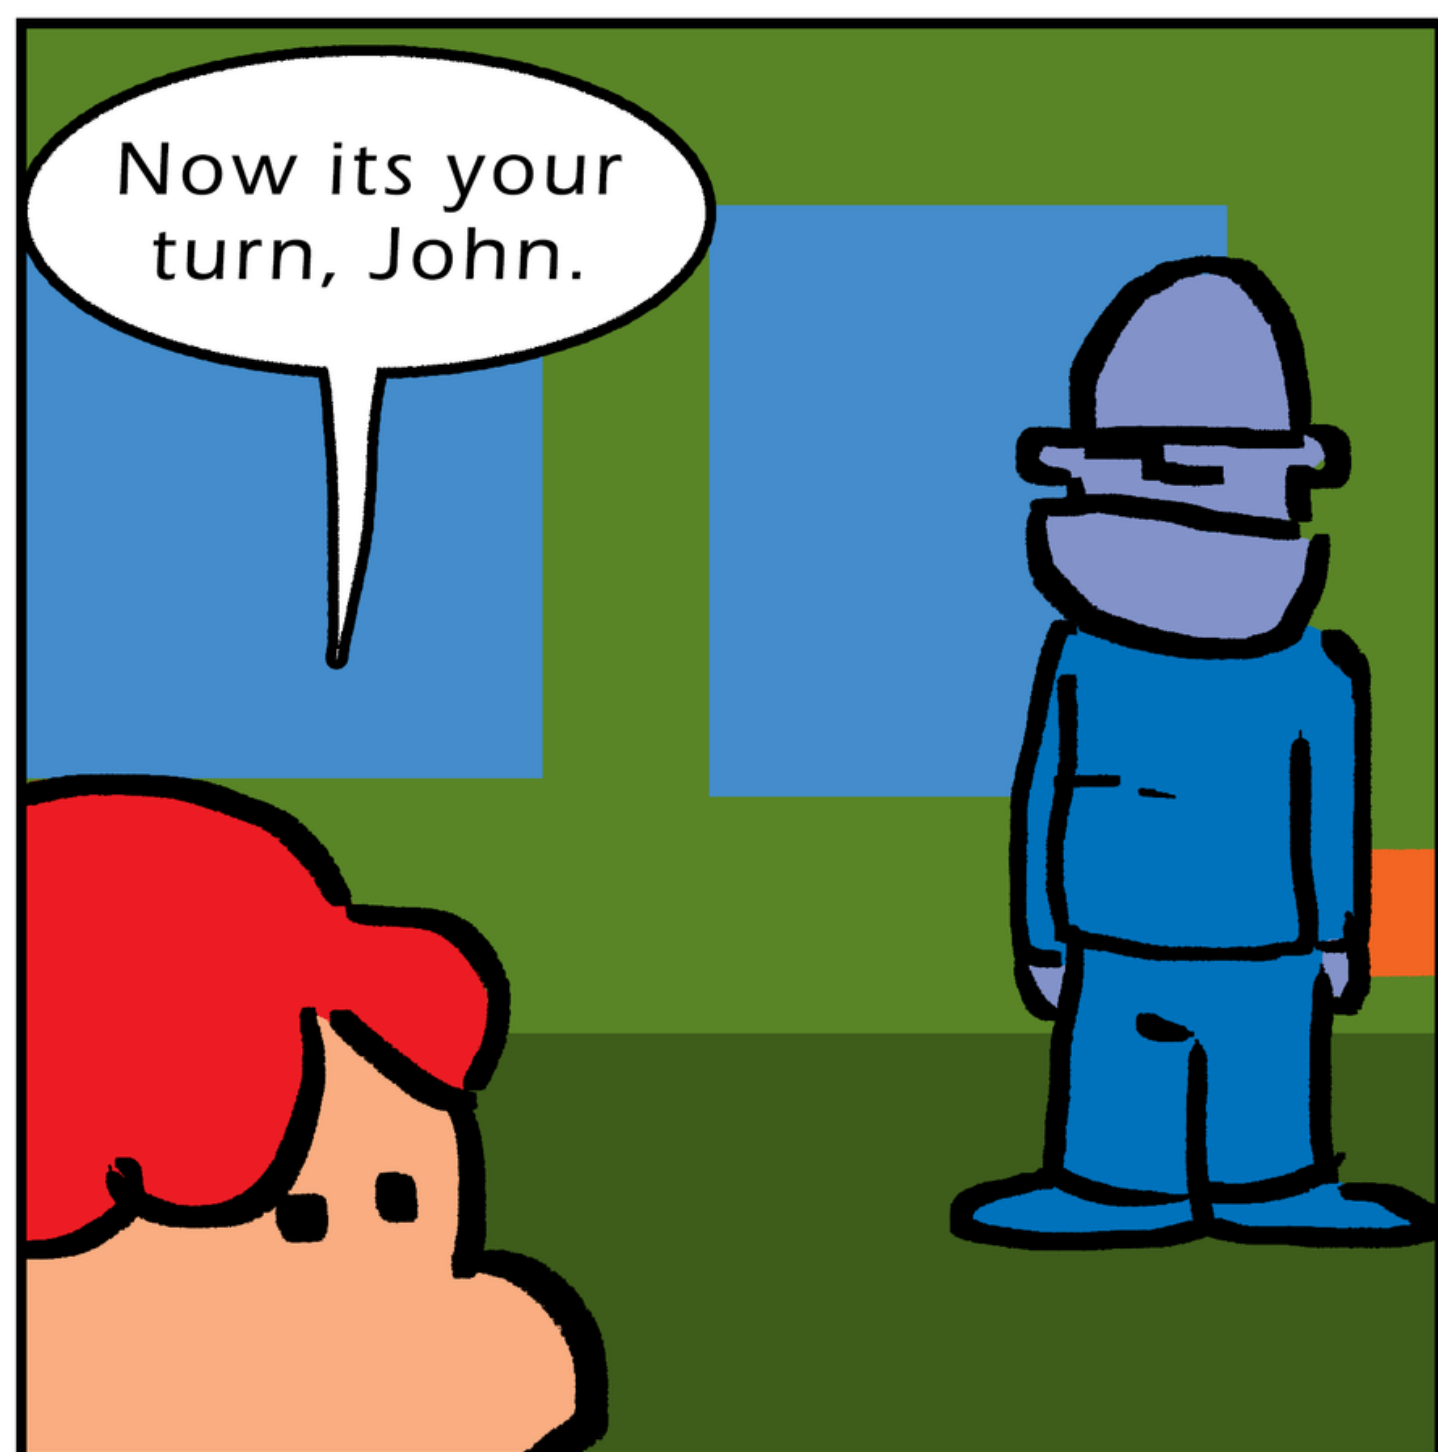

I knew it was you! That cheese dust proves it. You've been eating those cheeese chips all day.

Not so fast. The cheese dust only proves the killers used this glove. If the glove fits, You must acquit.

You did it John! You dipped this glove in cheese dust and framed Phillip for murder and then you Chopped off bugles head!

Fine. I did it. I did it because I think its stupid how you carried him around everywhere. I didn't want to ruin the freindship!

Well too bad. You made your choice.
